School Context

Westpark is a vibrant educational institution committed to providing a nurturing and inclusive learning environment for students from diverse backgrounds. Our school community comprises a dynamic mix of 559 students, each bringing unique talents, perspectives, and aspirations to our classrooms.

Our dedicated team of educators plays a pivotal role in shaping the educational experience at Westpark. With a focus on academic excellence and social emotional health, our 43 highly qualified teachers are passionate about fostering a love for learning and equipping students with the skills they need for success in an ever-evolving world. Supporting the academic and extracurricular endeavors of our students is a team of 48 support staff members who directly support our students and contribute to the smooth functioning of various administrative and logistical aspects of the school. Their commitment to creating a conducive and organized environment ensures that students can fully engage in their educational journey.

In addition to our teaching and support staff, 4 professionals, the psychologist, the ASD consultant, the consultant of inclusive education and the speech and language pathologist who work collaboratively to address the diverse needs of our student body. This comprehensive approach to education underscores our commitment to providing a well-rounded and inclusive learning experience for all.

Our school is comprised of families of high socio-economic level. The socio-economic levels in our community contribute to the unique fabric of Westpark. Our school and community strengths lie in fostering a sense of inclusivity, where each student is valued and supported. Our extensive resource department includes a team who are proactive in sharing resources, interventions and integrative support for all students. The collaborative efforts of teachers, parents, and community members create an environment that encourages academic achievement, personal growth, and social responsibility. Our dedicated, innovative and collaborative staff, specialized classes and teachers with a hands-on learning approach with the strong and creative specialists programs in the domains of Science, Phys. Ed., Art and Music, strong academic results, (as seen through Ministry Exams) contribute positively to the educational experience of our students.

Our team continues to focus on supporting students to achieve their potential in both English and French with the early immersion program. Challenges our school team face includes parental expectations vs their child's reality, a disconnect/lack of communication within such a large school, negative student attitude and behavior, students' lack of accountability along with the continuous loss of classroom budget.

At Westpark Elementary School, we take pride in our collaborative community where students, teachers, support staff, and professionals work together to create an atmosphere of academic rigor, creativity, and personal growth. Through a rich tapestry of experiences, Westpark Elementary School aims to inspire lifelong learners and responsible global citizens.
